

E-MAIL RELEASE

Diamond D General Engineering, Inc. is pleased to announce that we received the Golden Spike Award from the Sacramento Regional Transit District (RT) for superior contributions to RT in support of its mission to provide safe, reliable, convenient, affordable and accessible public transportation.

Michael Wiley, Interim General Manager/ CEO of Sacramento RT presented the award to Spencer Defty, President of Diamond D for a project that retrofitted three RT stations to make them more accessible to persons with disabilities at the Golden Spike Awards Ceremony on January 17, 2008.

"We enjoyed working with Sacramento RT staff and are honored to receive this recognition" Spencer Defty said. "Awards such as this reconfirm that our commitment to quality performance and customer satisfaction is recognized by our customers and supports our long term success".

Founded in 1992 Diamond D General Engineering has evolved into one of Northern California's premiere general engineering contractors. The company, based in Woodland, specializes in heavy civil construction, habitat restoration, excavation, earthmoving and paving. They are an SBA certified 8(a) company.
